MICHAEL SCHREIBER was arrested yesterday and locked up in a room on a charge of stealing a basket of laundry from Knauer's slaughterhouse. In the Police Court this morning his case was continued till tomorrow and his bond fixed at \$200.

OFFICERS LOGAN and McGarr this morning arrested C. Rohmer on Ninth and Central avenue, for attempting to pass a \$10 counterfeit bill on the Richmond National Bank. He was lodged in jail to await an examination before the United States Commissioner.

W. H. IRWIN, an old and well-known thief who has graced the prisoners' bench on innumerable occasions, was arraigned before Judge Lindeman this morning on the same charge—of being a common thief. Irwin was sent to the Work-house for a term of six months.

We received notice this morning of the death of Joseph Miller, Jr., our efficient agent at Elizabethtown, O. We extend our sympathy to his bereaved parents, and the many friends who always kindly feel the loss of an amiable and honest young man from the family circle and the community.

In the Probate Court the will of Joseph Wolzarn was probated yesterday. Catherine Wolzarn was appointed executrix. Personalty, \$130; realty, \$1,500. Catherine Osterhage was appointed executrix of the will of John Osterhage, late County Jailor. The will was probated several weeks ago. The deceased left \$8,200 in personalty.

MR. BARNEY MACAULEY and wife have just returned from the East, and are registered at the Gibson House. Mr. Macauley's reputation as a theatrical manager is second to that of none in the West, and he returns to us no doubt with a repertoire of plays and a careful selection of talent that will make Wood's as famous in the future as it has been in the past.

LAST Tuesday night Captain Churchill arrested a young man named A. Phelps Ballard, a farmer from Wilmington, on a charge of having taken about \$300 from his cousin, Spencer Ballard. In the Station-house only \$139 was found upon him. Captain Churchill held the money in his possession until yesterday, when the two cousins settled the matter and took the first train for their respective homes.

MR. JOHN H. DICKS, Alderman from the Third ward, about 7 o'clock last evening, was shot and slightly wounded at his saloon, on Central avenue, near Eighth street. The shooting was accidental, and was done by William Lynn, the Vine street gas fitter, during a promiscuous row at the saloon. Lynn had fired one shot at a man named Ed. Nealis, and when Mr. Dicks entered, he fired a second bullet which struck Dicks in the left groin, making a small and insignificant wound. Mr. Dicks was conveyed to his home in a buggy by Mr. Armstrong.

At a meeting of the Special Committee appointed by Council to devise some means to pay the laborers illegally employed on the streets, and who are unable to get their pay, a resolution was offered by Mr. Hodgson, providing that the debts due the city for licenses, rent of depot, lease of wharves, etc., be collected and placed in a separate fund to be known as the Labor Fund, out of which the due to laborers, now barred by the Workhouse law, be paid. The resolution provoked much discussion, but nothing definite being arrived at, the committee, after referring it to the City Solicitor for his opinion as to its legality, adjourned to meet at the call of the President.

The special Committee of five, appointed by the Board of Aldermen to ascertain and report upon the amounts due the city, met yesterday. The Engineer submitted the following amounts due the city by assessment for the improvement of property, about \$10,000. No action was taken on the above mentioned amounts paid out of the General Fund; Pavilion street, \$13,188; Findlay street, \$13,103.70; John street, \$9,031.30; Hoppel street, \$7,047.77; Kavin street, \$11,105.07. The Solicitor made a partial report of suits entered for car license and wharf rent. The sums claimed in the cases entered amount to about \$10,000. No action was taken on the Kentucky Central Railroad matter. The road owes the city \$260,000, which it proposes to compromise by paying \$100,000 in preferred stock.

THE room of Mr. G. H. Taffe, at No. 55 Longworth street, was entered by a burglar, night before last, who carried off that gentleman's pants, containing a \$600 watch, No. 1,300, some \$20 in currency and a check on the Merchants' National Bank for \$30. Notice was sent at once to the above mentioned bank to arrest any one presenting that particular check, and scarcely had the messenger left the bank until quite a young-looking German appeared at the paying teller's desk with the identical check, only demanding his \$30. He was arrested forthwith by two gentlemen, friends of Mr. Taffe and taken to his office, No. 38 West Third street, and placed in a back room to await the arrival of the proper authorities from the Hammond-street Station. The gentleman having the burglar in charge stepped into the front part of the office to indulge in a little private conversation, when suddenly he turned their backs before the prisoner leaped from the window, two stories down to the back yard, carrying the tin water-spouting with him, shot through the saloon in the basement, and out on to the street, and has not been heard from since.

The Exposition Commissioners held their regular meeting yesterday afternoon. The report of the Finance Committee was read. Bills and payrolls to the amount of \$408.38 were approved and ordered to be paid.

The Committee on Rules were opposed to changing the rules offering a premium on ventilating school house stores, and were also opposed to offering a premium on photograph albums and corpse colors.

On motion the President, Mr. Henderson, was authorized to purchase uniform caps for the Exposition police, according to Chief Snelbaker's suggestion.

Adjourned.

Amusements.

THE GRAND OPERA-HOUSE.—Miss Clara Wildman and troupe begin a brief engagement Monday, August 23d, at the Grand Opera, which, judging by Miss Wildman's past reputation, promises to be a grand success. The first appearance of this charming actress and vocalist will be in the entirely new drama entitled "Married and Divorced," written expressly for her by Mr. Coleman. Miss Wildman will be supported by the talented young actor, Mr. Harry Hudson; the minor support being given by a select company of Miss Wildman's own choosing.

THE GRAND CENTRAL.—This theater is fast growing in favor with the audience who crowd its seats and aisles nightly. The performance last evening was replete with comic sketches, good music and good dancing. To-night there will be an entire change of programme, introducing fresh novelties, and new faces to the already attractive list.

An African on the Warpath.

An exciting row occurred yesterday afternoon, about 5 o'clock, on Sycamore street. A barefooted negro wild with bad whisky, knocked several persons down near the Bethel, and also bruised up Rev. Mr. Lee, the Superintendent; after which, he was overcome and thrown out of the building. On Sycamore, near Second, he was followed by a yelling crowd of boys and men. He was hit on the head with a dray-pin two or three times.

Seizing the pin from the man who struck him, the colored man struck a boy named Peter Muller, causing a severe scalp wound. Near Lower Market he knocked a boy senseless. He was then taken by Officer Taylor.

The boy who was struck last, named Dennis O'Neil, was out fearfully over the right eye. The colored man, whose name is Allen Johnson, and who was also badly hurt, was taken to the hospital. This morning he was still lying in a drunken stupor, but is getting on comfortably. Dennis O'Neil, who received the most serious injuries, is reported resting this morning. His injuries are not as serious as were at first supposed.

Bitter for the French.

The McCullough Dramatic Club perform its aid of the sufferers by the late flood in France, on Wednesday, August 25th, at Robinson's Opera-house. This club made somewhat of a reputation by its performances last season, and they intend to keep it, as they have succeeded in getting together some of our best amateur talent, and intend to give their friends something above the average amateur theatricals. They have rented a large hall in Sprague's building, southeast corner of Fourth and Vine, and are now engaged in erecting a stage and fitting it out, intending to make it a place of meeting for all amateur clubs. The following are the officers elected at their third quarterly election: C. H. English, President; A. B. Grove, Stage Manager; F. Arrico, Secretary; W. A. Ross, Corresponding Secretary.

The following correspondence explains itself:

CINCINNATI, July 27, 1875.
A. FREDDIN, Vice Consul of France:
Dear Sir—Having heard of the extreme suffering of some of your countrymen, and the devastation of millions of their property, and wishing to contribute our mite toward their relief through you, I hereby tender the services of the McCullough Dramatic Club to give an entertainment at such time and place as you may designate, the proceeds to be used as you see fit, for the benefit of your countrymen. Yours truly,
FRANK ARRICO,
Corresponding Secretary of the McCullough Dramatic Club.

CINCINNATI, August 13, 1875.
To the Secretary of the McCullough Dramatic Club, Cincinnati:
DEAR SIR: Your letter was duly received, and in answering it I will say that I do accept with sincere gratitude your kind offer. It seems to me that Wednesday, the 25th of this month, would be a good day for the entertainment, and you intend to give. On my demand Mr. J. Robinson has consented to let me have his Opera-house on very moderate terms on account of the benevolent purpose.

Trusting, sir, that your society will use all its influence and power in order to make a great success of the entertainment, I remain,
Very truly yours, A. FREDDIN,
Vice Consul of France.

EX-GOVERNOR NOYES has returned from the East.

FIVE MILES OF WAGONS.

The Mammoth Industrial Procession.

On the 8th of September next, our citizens will witness, and a great many will participate in one of the grandest parades that has ever filed through our city, or perhaps any other city in the West. This is the Grand Industrial procession which, though independent of the Exposition in one sense, is a part of it in another inasmuch as it inaugurates the opening ceremonies. This procession will be entirely under the charge of Mr. Wm. St. Martin, who is giving almost his entire time and attention to the matter in order to insure its success, and should be heartily encouraged by every wide-awake and public spirited citizen. This procession will represent the industries of Cincinnati and will moreover represent them in operation. The sewing machine companies will have mounted upon their wagons their best specimens, in the way of machines, tacking, hemming and the like, and all other industries will be represented in like manner in active operation.

One great beauty of this affair, and here is where it takes precedence over all similar Exposition processions, is that it will not cost the Exposition anything, as Mr. St. Martin has arranged to have it a self-sustaining institution. Some of the parties are going to an expense of some two or three thousand dollars in the decorations and equipments of their wagons. Four hundred wagons have been enrolled up to the present time, which, according to actual measurement, will make a solid column of five miles in length, and this is only a beginning.

The following are the names of those who have expressed a willingness to participate in the parade, and who have registered at the office of Mr. St. Martin, No. 69 W. Fourth street:

Hoppel & Co., 10 drays; Leonard & Cook, 2 wagons; L. Wiegand & Co., 1 wagon; Chas. Moser & Co., 2 wagons.

The list is closing up fast, and all parties wishing to take part in the procession should report at once to Mr. St. Martin, No. 69 West Fourth street, and be assigned a place in the ranks, otherwise they will be compelled to take the rear end of the procession. The list will close up strictly, and of necessity, as it would be impossible for the gentlemen having this huge undertaking in charge to control such a vast column with people straggling into the procession ad libitum.

OUR MILITARY.

Our Home Companies Going Into Camp.—Our military heroes left this morning for Camp Tippecanoe, at Burk's Grove, south of Harrison, on the seven o'clock train via the J. & C. Railroad. Their many friends accompanied them to the depot and bade them a tearful adieu. An immense crowd had gathered, notwithstanding the earliness of the hour, and "soft eyes looked love to eyes that spoke again, and," as the boys, under the command of Captain Karl and Johnson, stepped aboard the train. The camp cheered of friends, the waving of blue caps and the strains of martial music.

Everything seemed propitious, bespeaking for our boys a most delightful time among the snowy tents of Tippecanoe. Three companies, the Light Guards, Robinson's Light Infantry, and the Lytle Greys, with bag and baggage, are to represent our city in the camp, where they will be joined by other companies from other parts of the State. Several excursion trains will leave our city for Bear's Grove and return the same day round trip, and a grand picnic is planned for Saturday, when the soldier boys will be joined by the girls they have left behind them. Extra excursion trains on Sunday. A grand parade and reception occurs this afternoon at Harrison.

He was a rural Jenkins. He was bound to be accurate, and he described the woman's costume thus: "She wore an elegant suit of something or other, cut blue and trimmed with white."

Base-Ball.

Quite a large crowd witnessed the game yesterday afternoon between the Clippers, of Lawrenceburg, and the Blue Stockings, of Cumminsville. Game was called at 3:45 promptly. Mr. Fisher, of the Cincinnati Club, was chosen umpire, and gave universal satisfaction throughout the game. The fielding of the Blues was excellent, and the batting of Spooner's balls terrific. The following is the score:

Clippers..... 1 2 3 4 5 6 7 8 9
Blues..... 3 2 2 0 1 0 3 3 1
Clippers..... 0 2 1 1 0 1 0 0 5
Runs earned—Blues 3, Clippers 0.
Based on errors—Blues 2; Clippers 5.
Passed balls—Blues 3, Clippers 8.
Time—Two hours.

The great game of the season will be played this afternoon upon the Avenue grounds between the Cincinnati Reds and the Blue Stockings. Bets are freely offered that the Reds will make more runs in two innings than the Blues will make the entire game, but still the Blues are not discouraged, and if they do not beat the Reds will at least play them a close game.

The Holts, of Newport, played a game with a picked nine yesterday afternoon on the grounds of the former club, at the head of Madison street, defeating them by a score of 17 to 8.

The American Club of this city will play the Buckeye Club at Columbus today. They will also wrestle with the following clubs before returning home: The Delaware, Mansfield, Ashland and Urbana.

The Centennial Club of Cambridge City, Indiana, defeated the Hoosiers, of Aurora, the champions of the State, by a score of 19 to 15. About 1,500 people witnessed the game, which lasted about two hours.

The Anchor Base-ball Club have organized with the following nine: J. Gottlieb, p.; B. Lyons, c.; J. Glaser, s.; C. Silverball, 1st b.; C. Heinfather, 2d b.; J. H. Harris, r. f.; H. Harris, r. f.; S. Rosor, o. f.; Isaac Rosenfinger, l. f.
